SHEPHERD'S CORNER

"The shepherds are thankful for the work which Chris Langley has been doing with the youth at Main and Oklahoma. We wish Chris could stay with us longer, but he is going

to move to Virginia in late May due to the job requirements of the specialized occupation of his fiancée', Katie. They are scheduled to be married in June and will settle near her place of employment in Virginia Beach, Virginia. Our loss will be Virginia Beach's (and Katie's) gain.

While we are sad to report that Chris will be leaving us, we are happy to announce that Levi Walker has accepted a position of full-time employment with Main and Oklahoma as youth minister to begin in mid to late May. Like Chris, Levi is scheduled to graduate from Oklahoma Christian on April 30. Levi, who originally hails from Fort Gibson, has a number of connections with this congregation going back to his childhood. He intends to work with Chris, who is also his current roommate at OC, on effectuating a smooth transition in the youth ministry program at Main and Oklahoma. Please join the shepherds in welcoming Levi Walker to the Main and Oklahoma family. His current e-mail address is levi.walker@student.oc.edu. "

THIS WEEK'S PRAYER REQUESTS

Prayer requests are immediately shared by email and placed on the church website [www.mainandoklahomacofc.org/knee-mail.html]. Requests received since the last bulletin are included here. Military and cancer prayer requests are published monthly.

April 13

Sylvia, a friend of Sheila Emperley, had a relative who was killed in last week's mining disaster in West Virginia. Sheila and Ruth have asked that we pray for this family and for those affected by this disaster. **Johnnie Mitchell** is still in the hospital in Tulsa, but is slowly improving. We have learned this week of the transfers of **Larry and Thelma Ryland** (to North Carolina) and **Joe Smith** (to Fort Smith). Please remember these during their transitions, as well as **Bazzel Everly**.

April 11

Tom Gragg (Kamy's dad) is hospitalized in Tulsa. **Bryan Jones**: surgery to remove his infected toe is Tuesday.

April 8

The following updates were received last evening: **Hayden Bryan**--continuing to look for solutions to his health problems. Exploring bone marrow transplant option. Family of Tracy Spears, who passed away this week. His sister, Kim Troussel, goes to Northtown. **Judy Petty** is having arthroscopic knee surgery on Friday. **Bobby Scott** is having an elevated heart rate. Our college graduates--**Emily Stites**, **Chas Maxcey**, **Chris Langley**, and **Levi Walker**. **Mike Dusenberry**--continuing neck issues. **Shawn Kidd**--complications from chemo. Ina's sister is home following rehab.

April 7

Our belated sympathy to **Dr. John and family** in the death of his mother in Ohio. We miss the Rajaratnam family when they are not able to be with us. Tests today determined that **Barry Ross**, Philip Young's father in law (his wife Molly's dad) has cancer in both lungs and in the adrenal gland. Please keep Barry, Molly and Philip in your prayers. **David Martin** called to say that his test went well and he will not have to have surgery.
