Bits From Bob.....

Sunday was another wonderful day despite the absence of numbers of our members due to the holiday. We were blessed with visitors. Attendance numbers continue to climb. We still have several copies of the devotional booklet we gave to mothers. Mothers, please pick up your copy at the information center if you have not yet received one. Members may pick up the remaining booklets for their own use or to distribute to mothers, family, friends, or associates.

Thank you for your kind comments concerning Sunday's worship assembly. A lot of thought goes into the special worship times we share—thank you for noticing. It is great to have Levi in place as our new youth minister. Jan and I knew Levi and his family about 20 years ago when we lived and ministered in Fort Gibson (right! Levi wasn't very old then!), and we are looking forward to working with him and renewing the relationship after we return from our mission trip. By the way, Levi was a Spanish minor at OC, so we have a great ministry team in place to assist with Latin American missions!

As always, thank you for your words of support, love, and encouragement as Jan and I embark on a new phase of ministry and reinvest our lives in those things that promise to make a significant and eternal difference. We look forward to the times we will share here, and feel blessed to be able to assist churches and mission works in many different places. We have nine ministry and mission efforts scheduled for 2010 (but we will be close by through the summer). Thank you for your prayerful support of our efforts.

Dear Main & Oklahoma Church of Christ,

Leaving this congregation is a bitter-sweet feeling. I am excited to be getting married and starting a new chapter in my life, but I am struck with sadness and sorrow at the thought of having to leave Main & Oklahoma. I cannot express how much this church has meant to me through out the last five months. This has become a place that I can call home and even more importantly call my family. You have blessed me with the opportunity of being a minister here, and I have to say I have not been disappointed in any way; instead I have been encouraged as well as uplifted. I thank you so much for allowing me to be a part of this congregation, and taking me in as your own. I see great things happening in the future of this church that can and WILL change the community of McAlester. I pray that God continues to shower this congregation with blessing after blessing. I am sad to go, but it makes it easier to leave because I know Levi will do a great job, and will receive the same welcoming I did. My hope is that you continue to change lives like you have mine as you continue to walk in the ways of the Lord. Thanks again for everything. God Bless!!!

In Him,
Chris Langley
