The Light

"... put on the armor of light." Rom. 13:12

The Wright Stuff

I'll be preaching through the book of Matthew in the coming weeks, and I thought it would be a wonderful idea if everyone were reading through the book while we're having the series. Therefore, I have come up with a daily reading schedule so that we can read through the book in 8 weeks. I'll give you the first four weeks now, and the rest later. The schedule is fairly light, requiring (on the average) less than a chapter a day. It is set up that way to allow and encourage meditation and prayer. Don't merely read the verses, glossing over the words. Think about what they say, mentally chew on them, digest them. Let them sink in. Then, let those thoughts guide you into prayer. I'll even include a little box you can check off as you finish the reading.

Here is the schedule:
