# The Light

"... put on the armor of light." Rom. 13:12

**bits from bob...**

While illnesses and travel took their continuing toll on attendance, the day we shared Sunday was special and October has been a good indication of what "normal" looks like around here with average attendance about 140. I am amazed every week at how many of our members are gone, but that is also "normal". Thank you for your continued generosity. The contribution

"double" will help us continue toward our goals of being "debt-free" with a well-maintained facility. If you did not have an opportunity to participate in the Bonus Sunday, please consider putting your little extra in the collection plate the next time you are here. Our next Bonus Sunday is the last Sunday of January (with noon luncheon, early evening worship, and congregational meeting).

**REFLECTIONS ON THE CONGREGATIONAL MEETING**

The quarterly congregational meeting was great! We discussed new possibilities and ideas in evangelism, outreach, prayer, and benevolence. The updated financial report provided a helpful snapshot of where we are and of how God has blessed us.

**MY NEW SCHEDULE**

Jan and I are excited about the adjustment in our ministry schedule which was announced Sunday. While we do not anticipate any major changes in our availability most weeks, there will be times when we are out of town for longer periods of time. As we work together to meet the needs of this church and community, you can help us by making us aware of scheduled events in advance. We understand that emergencies arise, and we will help with those as we can regardless of when they occur. Jan and I have many opportunities to participate in ministry and mission activities and look forward to having more time for involvement in ministry and missions in various places around the world. We also hope that the downward adjustment in our salary will be a blessing to the church here. Please continue to give as generously as you can so that the savings in personnel costs can be used to help reduce debt and meet the needs of the church, ultimately resulting in more funds for outreach, evangelism, and missions.

George Wright passed away last week. Please remember his family in prayer. (--from Joyce Ingraham) It was especially good to see the Ingrahams, Ruth Brannon, and Ora Dawson able to be out yesterday. We have received a prayer request for Hezekiah Keith, MCA student, who had an appendectomy last week.

Please remember Robert Petty who fell and cracked a couple of bones in his left foot.
